Notes:

KOREKYOJIN VS. Sardine Head

This Sardine's set was for before KOREKYOJIN's set.

Shuffle was played for encore of KOREKYOJIN's set.

The Sardine's member entered the stage then, too.

These men had one's usual musical instrument.

but only Mr.Kobayashi played a digital equipment with big smile.

He played some noise and scratch sound and tap in Shuffle.

Mr. Yoshida (Drum /KOREKYOJIN) permit us to archive this idea.

We Sardine Head's Head dedicate the maximum thanks to him.

Thank you, KOREKYOJIN (Tatsuya Yoshida, Natsuki Kido, Mitsuaki Nishino) and their fan.

Jo-J and Kawano played twin LP. Takami played usual PB.

Jo-J wore SKY HIGH - Mr Masataka T. Mr Kobayashi wore STAR TREK T.

Exception source: only Shuffle

My 4023 clamped to 41's mic stand, real on stage.

Thank you-41.
